Contractual Terms & Conditions

Section 4.1 - Delivery & Readiness Clock: The Supplier covenants that all equipment specified herein shall be completely fabricated, tested, and ready for dispatch within **45 calendar days** following PO Acknowledgment date (2026-01-21).

Section 4.2 - Liquidated Damages (LD) Clause: If the Supplier fails to deliver the equipment within the stipulated readiness period, Liquidated Damages shall accrue at the rate of **1.0% (one percent) per completed week of delay** assessed against the total PO / Invoice Value, up to an aggregate maximum ceiling of **5.0% (five percent)** of the contract price.

Section 4.3 - Force Majeure & Excusable Delays: In the event of documented sovereign port congestion, customs clearance restrictions, or state security directives, authorized days (recorded as **2 days** for this shipment) shall be deducted from gross delay prior to LD computation.

Section 4.4 - ERP Financial Settlement (Epicor Integration): All approved LD deductions shall be executed via an automated **AP Chargeback / Debit Note (Doc Type: LD-DR)** posted against Account 6050-00-LD prior to final invoice payment disbursement.
